HISTORY / LONG ISLAND, SUFFOLK COUNTY

# DISCOVER A FASCINATING HISTORY IN LONG ISLAND

Discover Long Island's Revolutionary History

Come to Long Island and discover a fascinating history in Long Island filled with spies and intrigue during the Revolutionary War Era, as depicted in the AMC series Turn.

Did you know that the brave Patriots (America's First Spy Ring) who risked their lives to get George Washington the information he needed to win the Revolution lived and spied on Long Island.

Discover the #WashingtonSpyTrail at: [www.DiscoverLongIsland.com/spytrail](http://www.DiscoverLongIsland.com/spytrail)

Among the sites to visit are Raynham Hall in Oyster Bay, where **OR** wnsends became part of the Washington Spy Ring; The Arsenal in Huntington, where Job Sammis hid stores of gun powder in his attic during the onset of the British occupation; the Conklin House where Sybil Conklin lived and worked here while her husband, David was held prisoner by the British during the Revolutionary War; the Thompson House in Setauket and the Brewster House in Stony Brook, where American Patriot Caleb Brewster spied on British soldiers during the Revolutionary War.
